17.30 Service

Cost £5

Introduction:

You are invited to sing at a Choral Evensong to celebrate the life and ministry of Gordon Appleton at Ripon Cathedral. Music: Rose Responses, Sumsion: Evening Service in G (SATB) and Bainton: And I saw a Heaven. (MUSIC IS NOT PROVIDED)

This is an event open to choir members, individual singers, former and current members of Northern Cathedral Singers. Robes will be worn for the service only. If it is not your custom to wear choir robes, please wear all black.

How To Book:

Booking for this event is **essential** as places will be extremely limited on the day so we have a balanced choir for this service. Once the number for each part has been reached we will unfortunately be unable to accept any further bookings.

Participants are responsible for securing their **own places** within the combined choir (**no group bookings are being taken**) and for sourcing their own music for this event.

Completed application forms should be sent to the address as noted at the top of the booking form, no electronic submissions (such as email) are being accepted for this event.

Safeguarding

Please note that all young people attending this event must be under the care of an adult from their church/choir during the day. Choir trainers are reminded to obtain parental permission in writing from parents/guardians of all participants under 18 years old. **Our recommended parental consent form is on a separate sheet, which should be retained by the responsible adult.** Please do contact us if you require this form.
