Amazing grace!

Amazing grace! How sweet the sound
that saved a wretch like me.
I once was lost, but now I'm found;
was blind but now I see

'Twas grace that taught my heart to fear,
and grace my fears relieved.
How precious did that grace appear
the hour I first believed.

Through many dangers, toils and snares
I have already come.
'Tis grace that brought me safe thus far,
and grace will lead me home.

The Lord has promised good to me,
his word my hope secures;
he will my shield and portion be
as long as life endures.

When we've been there a thousand years,
bright shining as the sun,
we've no less days to sing God's praise
than when we first begun,
than when we first begun.

Words: vv1-4 John Newton (1725-1807), v5 John Rees (1828-1900)

Focus / Technical focus	<ul style="list-style-type: none"> • Elongated vowels, giving a melody and phrase a sense of direction and purpose.

Hymn: Amazing Grace

...

As we sing this hymn, we are reminded just how powerful and loving God is, that no matter how lost or bad we might feel, God's grace is always there to save us and give us a new start. We should trust in God's love and forgiveness, knowing that God will always guide us through life's challenges.

Verse 1

Bible reference:

Ephesians 2. 8-9

Luke 15. 24 (context Luke 15. 11-32)

God's grace (loving care and kindness) is something which we cannot earn but is something God gives freely to every one of us. It is so wonderful that it is like hearing our favourite music!

...

The idea of being 'lost' then 'found' says that life without God's guidance is like being on the wrong path, going the wrong way. In the Bible, Jesus tells the parable of The Prodigal (Lost) Son which demonstrates how happy God is when people change their ways.

...

Verse 2

Bible reference:

Proverbs 9. 10 There are two different kinds of 'fear' spoken of in this verse. In the first line, 'fear' means respect for God and understanding how important it is to follow God. The Bible says, 'The fear of the Lord is the beginning of wisdom' (Proverbs 9. 10); from this we can see how God's grace enables us to make better choices ourselves. In the second line, John Newton is speaking of scary 'fears', and how these were taken away by the sense of peace he felt when he knew God was with him. 'Twas = it was

Verse 3

Bible reference:

Psalm 23. 4 In this verse, John Newton reflects on all the dangers and troubles he faced in his life, like the storm at sea, and tells how he believes that God's grace kept him safe and will continue to guide him until he reaches his final 'home', which means heaven. Psalm 23 in the Bible also speaks of God always being with us, even in tough times. 'Tis = it is
