

Voice for Life Singing Certificate

Sample Listening and responding exercises.

These are sample exercises, and different music will be used in the singing certificate by the examiner. *Notes for choir trainers are in italics.*

Clapping the Pulse

I'd like you to clap in time while I play. Join in as soon as you can.

The music will be in simple 2, 3 or 4 time and the pulse will be made as obvious as possible.

Clapping as Echoes

I'd like you to clap as echoes the rhythms of two short phrases which I will play on the piano.

The music will be in simple 2 or 3 time.

Singing Back

I'd like you to sing back three notes to me. I'll play them twice.

No interval will be larger than a 3rd and at least one interval will be of either a tone/semitone. The notes will always be diatonic. They will be played at a suitable pitch (eg lower for candidates with changed voices).
